

Downloading & Installing the Navitor Swatch Library

- 1) Download the swatch library from our website.
- 2) Go into your computer storage (Local Disks on PC).
- 3) Open Applications (Program Files on PC).
- 4) Open Adobe Programs, then open either Illustrator or InDesign.
- 5) Open Presets and then Swatches or Swatch Libraries.
- 6) Move the swatch library - Navitor All.ase - into this folder.
- 7) Re-start Illustrator or InDesign and our swatch library is now loaded in your program.
